

ANY TEEN WILL DO

Words by 'Midgetgems'

[Sven Goran Erikson chooses Theo Walcott over the likes of Darren Bent for the World Cup. I'd just like to add my personal 'well done' by including this!]

[THEO WALCOTT ATTEMPTING BAD KEEPY-UPPIES AS SVEN, DRESSED FOR TRAVEL MURMURS TO TWO REPORTERS BEHIND ]

**THEO**

I'm so surprised to get this shirt on  
It's got no dirt on,  
s'like me Arsenal one too.

**SVEN**

You've got to play  
I'm just doing some creeping  
Darren Bent is weeping  
Any teen will do

**THEO**

I got his vote

**SVEN**

He got my vote

**THEO**

It's no use whining

**SVEN**

I'm soon resigning, trying something new.

**THEO**

He may go east

**SVEN**

I may go east

**THEO**

He likes risk- taking

**BOTH**

'xept for that sheikh thing  
Any team will do

**THEO**

My cash will come

**SVEN**

Oh cash is nice!

My golden handshake is in sight

**PRESS**

The dullest Swede reveals he's heartless, playing an unknown...

He ain't concerned, with England winning

**SVEN**

You're right, I'm grinning

(THUMB POINT) Bet this teen is too

The world cup's nigh

So just keep waiting

Hold your berating

**THEO**

Til we fail to get through

**BOTH**

Any teen will do

**PRESS**

The crash will come

**SVEN**

Say what you like

**PRESS**

We need a player who can strike

But where is Darren Bent, TOP SCORER?

**SVEN**

Oh he's left at home

**PRESS**

We're quite concerned, we quite like winning

**SVEN**

I've had my innings, and this kid will do

**PRESS**

This world cup side that you're creating

It's kinda frustrating

That any teen will do

**ALL**

Yes any teen will do etc.
